

Creative Connecting Ideas

(Sin)

Spend some time talking to your child about the consequences of breaking the rules. If we speed in our cars we get a ticket. If we cheat on a test the teacher will give us an "F". If we cheat at a sport it hurts the whole team. What others can you come up with them? Does God have rules and consequences?

Play a game with your child that they like to play and know the rules to well. As you play change the rules. This will be frustrating. Use the opportunity to talk about the importance of having and following rules. Play the game again the right way and talk about the joy of actually playing the game right. Talk about Gods rule in the Garden of Eden and how Adam and Eve responded.
